Financial Aid

Scholarships

Saint Benedict’s and Saint John’s believe in recognizing students for demonstrated academic, leadership and service achievements. Scholarships are available to admitted students based solely on achievement and not on financial need. These scholarships are awarded on a competitive basis at the point of admission. All scholarships awarded by the College and University are given for an academic year and are credited to the student’s account in equal portions (one-half) each semester. A student who is enrolled for only one semester is eligible for only one-half of the annual award. Scholarships are renewable each year (unless otherwise noted) as long as the student maintains satisfactory academic progress.

Saint Ben’s and Saint John’s are participants in the Post-9/11 GI Bill® (Chapter 33) and the Yellow Ribbon Program. We are a 50% Yellow Ribbon Program participant. This means that if you are 100% eligible and have received the national maximum tuition and fees through the Post-9/11 GI Bill® (Chapter 33) during the academic year, the VA and CSB/SJU will cover the remainder of your tuition and fees through the Yellow Ribbon Program for that academic year. The VA will cover approximately half of your tuition and fees and CSB/SJU will cover the other half.

The CSB/SJU portion will be covered through your institutional merit scholarship or grant which will be reallocated to accommodate the benefit and renamed “CSB/SJU Yellow Ribbon”.

Need-Based Financial Aid

Saint Benedict’s and Saint John’s have always sought to educate well-qualified young women and men regardless of their economic backgrounds. Students demonstrating greater need are typically offered more need-based aid, while students with little or no demonstrated need rely on their merit scholarship, loans, and student employment to bring their costs down to a level manageable for the family.

Determining Financial Need

Saint Benedict’s and Saint John’s, like most colleges, use a federal formula to help determine eligibility for need-based financial aid. This formula takes a “snapshot” of the family’s financial situation for a given year to determine eligibility for grants, on-campus employment and loans. To be considered for need-based financial aid, students must complete a Free Application for Federal Student Aid (FAFSA) each year and, if selected for verification, the CSB/SJU Verification Worksheet.

All required forms can be submitted via secure upload at https://www.csbsju.edu/financialaid/securefileuploads (https://www.csbsju.edu/financialaid/securefileuploads/).
Types of Financial Aid

CSB and SJU Grants
Each college offers need-based institutional grants to qualified students. Eligibility is determined annually based on a review of the student’s Free Application for Federal Student Aid (FAFSA).

Minnesota State Grant Program
The Minnesota State Grant is a need-based program available to eligible Minnesota residents. Eligibility is based on an aid applicant’s FAFSA results and awarding parameters defined by the state. The state requires students to enroll for 15 credits per semester to be considered full-time and receive maximum State Grant funding. Enrollment of less than 15 credits will result in proration of any State Grant eligibility.

Federal Pell Grants
The Federal Pell Grant is targeted at undergraduate students from low-income, high-need families. Eligibility is determined annually based on the federal Expected Family Contribution (EFC) from the FAFSA. The amount of Pell Grant funds a student may receive is limited by federal law to be the equivalent of six years of funding.

Federal Supplemental Educational Opportunity Grants
Federal Supplemental Educational Opportunity Grants (SEOG) are awarded to U.S. citizens with exceptional financial need.

Student Employment
Approximately 1,150 part-time jobs are available on each campus, with a limited number of jobs also available off campus in non-profit organizations. Student employment is awarded on the same basis as other types of financial aid - documented financial need and satisfactory academic standing (2.0 cumulative GPA). Students normally work 10-12 hours per week and generally may earn up to $4,000 per year. Wages for student employment are paid from federal work-study, institutional or State funding. Students may use their earnings to pay for tuition, room and board costs or personal expenses.

Loans
Both federal and private student loans are available to pay for college expenses. The CSB+SJU financial aid office encourages the use of federally subsidized and unsubsidized loans before a student pursues a private student loan. The first step in applying for a federal student loan is to complete the Free Application for Federal Student Aid (FAFSA) at www.studentaid.gov (http://www.studentaid.gov). Students whose FAFSA is selected for verification will also be required to complete the CSB/SJU Verification Worksheet, available online at www.csbsju.edu/financialaid/ (http://www.csbsju.edu/financialaid/). The Financial Aid Office will review FAFSAs after they are processed by the federal government and send an award letter or notification via email which will indicate the loan options available.

Federal Student Loan Programs

Subsidized Direct Loans
- Based on financial need
- 5.5% fixed interest rate (2023-24)

Unsubsidized Direct Loans
- Interest-free while enrolled at least half-time
- Repayment begins six months after student is no longer enrolled at least half-time
- 1.057% origination fee (2023-24)

Private Loan Options
- Credit-worthy cosigner required
- Variable or fixed interest rate may be determined by cosigner’s credit rating
-Depending on lender, and the cosigner’s credit, fees may be deducted.
- See financial aid website for lender options (www.csbsju.edu/financialaid/loans (http://www.csbsju.edu/financialaid/loans/))

Packaging of Aid
Students demonstrating financial need often receive funds from several of the types of aid described above. It is common for applicants to receive a scholarship or grant, student employment and a loan. "Packaging" aid in this manner allows Saint Benedict’s and Saint John’s to make more funds available to a larger number of aid applicants. If applicants receive outside assistance not considered when the award was determined, the award may need to be adjusted to reflect the additional resources. A student’s total aid award may not exceed the cost of attendance.

Saint Benedict’s and Saint John’s are committed to equal opportunity in financial aid distribution in accordance with applicable federal and state laws.

Application Procedures
Students applying for need-based financial aid must complete the Free Application for Federal Student Aid (FAFSA) each year online at http://www.studentaid.gov. Students whose FAFSA is selected for verification must also complete the CSB/SJU Verification Worksheet available online at https://www.csbsju.edu/financialaid/applyingforaid (https://www.csbsju.edu/financialaid/applyingforaid/).

The FAFSA for the next academic year normally becomes available October 1. Financial aid award notifications for new students are sent beginning in mid-January and for returning students beginning in June.
Renewal of Aid

All financial aid awards are made for an academic year. A student’s financial aid will normally be renewed in subsequent years as long as he/she maintains satisfactory academic progress, continues to demonstrate financial need and files the FAFSA by June 1. Exception: Students who have completed four years of post-secondary education may not be eligible for college scholarships or grants.
